## **Other topics of note or messages:**

### **Further information**

#### **Recorded Crime**

Recorded Crime in the area remains low.

#### **New Inspector**

**Inspector Linsey Burnett will soon take over from Inspector Mahboob Ahmad as the local area Inspector.**

#### **Speeding**

There continues to be concerns reported regarding motorists not adhering to the speed limits within the Local area, particularly 20mph speed zones.

Local Speed Initiatives will continue to be planned where possible, and Road Policing Departments have been notified of these continuing issues for extra attention.

The following is guidance provided by Traffic Scotland on enforcement of 20mph limits –

#### ***Enforcement***

*37. Any decision to lower the speed limit to 20 mph should seek to avoid the need for extensive police enforcement, as 20 mph limits will not be routinely enforced, unless it is absolutely necessary and in the interest of casualty reduction.*

*The only exception to this is the enforcement of 20 mph speed limits outside schools, which takes place on a regular basis.*

*38. A range of other measures should be employed. These might include marketing and behaviour change initiatives, vehicle actuated signs and traffic management and other traffic calming measures.*

*39. Any changes should be monitored, and where compliance levels are not at an acceptable level, consideration should be given to the addition of traffic calming measures or reverting to a 30-mph limit, if necessary.*

## **Police Officer Recruitment campaign**

Our new police officer recruitment campaign has launched.

Help us to spread the word by liking and sharing our recruitment posts on social media.

**If you know someone who has the potential to become an exemplary police officer, please direct them to the updated [recruitment section](#) of the Police Scotland website**

## **Neighbourhood Watch Scotland**

Your local Community Police Officers have recently completed a course with Neighbourhood Watch Scotland, which allows them to send out immediate emails reporting such things as suspicious activity in the local area, as well as updates on crimes and other useful information, as such they are keen to have as many people as possible locally to sign up to these emails, which in turn could assist in crime detection and prevention. Being a member of Neighbourhood Watch Scotland could also lead to a discount on home insurance. If you would like to sign up, please use the QR Code Below.

## General Agenda

Community Resilience Planning	NCR for Community Councils	17/01/2024	<p>Rose shared an update on our resilience planning. There is a draft funding request that will be submitted National Centre for Resilience Community Councils</p> <p>&lt;<a href="https://www.gla.ac.uk/research/az/ncr/howtoworkwithus/#applyforfunding">https://www.gla.ac.uk/research/az/ncr/howtoworkwithus/#applyforfunding</a>&gt;</p> <p>Open to: Scottish Community Councils</p> <p>Grant Amount: £500</p> <p>Application Deadline: 31st January 2024 (£600 of MBLCC money was approved at the meeting to be used for matched funding) for a Resilience Event as part of our Community communication plan).</p> <p>This comprehensive funding request application covers all aspects of resilience – flooding, winds, extreme snow, ice, power outages . This will allow for further funding requests to be investigated for equipment identified in the Resilience plan (e.g generators for community halls, pumps, sandbags ).</p>
		20/03/2024	<p>An application has been made to the National Centre for Resilience fund for £500. This will allow us to fund the costs of undertaking a consultation with the local communities to understand their needs. It will also help us to formulate a plan and identify other projects that we can apply for funding for.</p> <ul style="list-style-type: none"> <li>- Identify Community groups and hold working sessions with them to understand their needs/ where they could be part of the Resilience plan</li> <li>- Identify Community members who could be part of a Resilience Group</li> </ul>
		15/05/2024	<p>To give our resilience planning efforts a boost, we are pleased to announce that we have been successful in securing a modest but important grant of £500 from the National Centre for resilience. To obtain this, we put together a plan to encourage community participation in developing a resilience plan. Our intention is that with a plan, we will be in a position to make further bids for capital funding to help support the purchase of equipment and upgrades which would enable the community to support each other during a range of events including floods, major snow, storm damage, etc. We will now start to roll out our community outreach plan and seek to get further involvement from residents in our area. We would be grateful to hear from volunteers who would be willing to participate and help shape the plans.</p>
		18/09/2024	<p>£500 grant approved – fill in the banking form to receive funding</p> <p>Form completed. Next step is to ask people if they would like to be involved in a small focus group.</p> <p><b>ACTION</b> Rose to ask community if they want to be in the focus group once next draft of resilience plan is available (see below)</p>
		25/11/2024 15/01/2025	<p>No update</p> <p><b>ACTION</b> Rose to check on the £500 as we have not received it yet</p>

		21/05/2025	ACTION Keith to check on the £500 as we have not received it yet
	Resilience Plan	15/01/2025	ACTION – Avril to share first draft of Resilience Plan with rest of CC for input. 		19/03/2025	Further work to be done on plan once Angus Flood Resilience fund is spent. Now have a volunteer for Liff so can start working on the Liff specific resilience plan. ACTION – Avril to share current draft of full plan.
		21/05/2025	Was shared on one-drive on 21 <sup>st</sup> March 2025
		19/03/2025	Arbuckle (Farmer who owns the field on the North of Woodside road) says he is putting in resilience measures to help prevent flooding.  ACTION Avril to check with Jennifer to see what measures are being planned. CLOSED but no-one knows of any plan
		21/05/2025	ACTION Avril to check if farmers who are renting some of the fields are also renting this field
	Community Involvement in Resilience	19/03/2025	Look at various ways of involving the Community in Resilience.
		19/03/2025 21/05/2025	Look at Engagement Plan. ACTION all Any update?
		19/03/2025	Leaflets for shops/schools/scouts/events. ACTION Hong to share Angus Council Community information to see if we can get printing done.
	Angus Council Community Resilience Fund	25/11/2024	Funding requests completed for Angus Council Community Resilience Fund 2024-2025 – both for Community Resilience and Community Flood Protection Fund
		15/01/2025	Awarded £15,000 from the Community Flood Protection Fund in December 2024. Funding to be spent before end March 2025.
		15/01/2025	ACTION – Community Council to look for storage areas per zone for resilience boxes Muirhead and Birkhill – Avril/Grant Liff – Stuart Fowlis - Stuart Piperdam - Rose Lundie – Rose

			Balruddery/Flockloans/Blairhall – Keith
		15/01/2025	ACTION – Avril to send approved shopping list for each area to CC – COMPETE – Close
		19/03/2025	Update. Hopefully storage areas have been secured for Muirhead Birkhill Liff Fowlis Lundie Next steps to order up storage boxes and approved Flood Supplies
		21/05/2025	Keith provided an updated spreadsheet with what has been ordered and delivered. The storage boxes are all ordered and should arrive in June. Need to put plans in place for the correct bases to be installed and the boxes then built
		19/03/2025	Flood barriers have been recommended and approved by SFF for use on Woodside road as long as house owner is willing to make some changes. This is likely to require two road closed signs to be approved – with lighting. ACTION Keith to add to excel sheet and order if there is enough money
		21/05/2025	Not everything is ordered yet
	SSE	19/03/2025	Check on Insurance needed for all equipment – ACTION Avril to check with Jennifer.
		21/05/2025	Once the full set of equipment is known we need to send to Jennifer Anderson so she can get a quote
	Site Visits	17/01/2024	Rose did speak to SSE in 2023 who pointed us to their website and a community grant scheme once we have a resilience plan in place.
		17/01/2024	Hong suggested we setup site visits for the areas that were flooded with Angus Council/Scottish Flood Forum/Farmers as a good starting point for what could be done to help prevent/deal with flooding. A member of the public with SEPA Experience informed us that Farmers need a license from SEPA to allow dredging of burns now. Scottish Flood Forum visiting on 5 <sup>th</sup> December 2024 to walk around the flooded areas with us.
Traffic and speeding	Pop Up Jim	25/01/2024	Visit on 5 <sup>th</sup> December was very worthwhile and gave us some pointers for the areas we walked around.
		15/01/2025	ACTION Avril, Grant and Stuart to document findings – complete.
		19/03/2025	Forward to Hong/Jennifer/Andrew from Angus Council and SFF team – COMPLETE – close and remove
		21/05/2025	Rules for Jim to be borrowed are available for members of the community who wish to deploy Jim.

Reducing Speed limit in Birkhill/ Muirhead to 20	04/05/2023  17/01/2024  15/05/2024  18/09/2024  19/03/2025  21/05/2025	All roads being reviewed at the moment by roads teams and will be complete by end March 2023 Update from Cllr Whiteside : the result of the recent speed limit review and specifically 20mph) are with Transport Scotland. However Craig Hudson is going to discuss the route between Muirhead and Liff at this month's traffic coordination meeting. Cllr Whiteside reported that there will be some funding available for this but it's to be decided if there is to be a blanket approach or target some areas with traffic calming Cllr Doran had asked Craig Hudson for an update. <i>'In regards to new 20mph speed limits, we are still in discussions with Transport Scotland regarding Angus' plans for the 20mph National Strategy. Discussions continue internally with the Communities Convener, and we expect that a committee report will be forthcoming in due course to make a final decision on our plans.'</i> Transport Scotland data from 2022 is being reviewed. There is a new Member Officer Working Group that Cllr Doran is a part of that is looking at the policy for speeds on Angus roads. This includes a focus on the 20mph proposal. Cllr Doran is a supportive of zones in theory where needed but only if the correct infrastructure can be put into place at the same time. She wouldn't be proposing a blanket approach to 20mph zones. All accidents should be reported to Councillors to be used as evidence for prioritisation of areas needing changes.

	25/11/2024	Note community email received 25 <sup>th</sup> November 'I have a concern regarding the traffic lights on the junction of Edward place at the corner of tiddlywinks nursery in muirhead. At least once a week whilst going to and from the nursery with my son, traffic will not stop when the lights turn red for us to cross, resulting in me and my son having to stop in the middle of the road to dodge traffic or being unable to cross until I am sure that the traffic has come to a complete stop both ways. As the lights are so close to the junction it appears difficult to see the change in the lights depending on where the traffic is coming from and drivers go straight through the lights. Many times I've had drivers signal toe whilst I've been stood in the middle of the road when the green man is on as if we are in the wrong for crossing. I'm very worried there is going to be some sort of serious accident here. A number of other members of the village have also posted this concern on the community Facebook page. Can this be discussed in hopes that something can be done to resolve this issue? Many thanks.'
