Rural crime continues to be an issue in the Angus area. Over recent weeks there have been a number of thefts reported in the area of Muirhead and Strathmartine. Between 15<sup>th</sup>-19<sup>th</sup> October 2013 thieves attempted to break into a lock fast workshop at Templeton Farm, Strathmartine. This follows onto an attempted housebreaking with intent to steal that occurred between 13<sup>th</sup>-19<sup>th</sup> November 2013, whereby persons returned to the same premises and gained entry, although no items were stolen. Between 10<sup>th</sup> and 11<sup>th</sup> November 2013 Thieves stole a petrol go-cart from the garden at an address near Bridgefoot. Between 11<sup>th</sup>-15<sup>th</sup> November 2013 an housebreaking with intent to steal occurred at Ralston Business Centre, Newtyle whereby persons entered the property by forcing a window but left without stealing anything.

There have been two occasions recently whereby drivers travelling on the A923 Dundee to Birkhill road near to Camperdown Park, Dundee, have had their cars damaged as a result of persons (believed youths) throwing stones from within Camperdown Park onto the road. These incidents occurred during darkness and the matters were fully investigated although no persons were seen by the drivers or traced following an extensive search of the park.

Between 0001 hours on 7<sup>th</sup> September 2013 and 2359 hours on 20<sup>th</sup> November 2013, a theft occurred at Blairfield Caravan Park, Birkhill, Angus, whereby a caravan window was removed and stolen from a caravan. The caravan was not believed to have been entered and there were no other items taken.

a) The consultation period for the 20MPH traffic calming measures affecting Osprey Road will be from 10<sup>th</sup> January until 10<sup>th</sup> February 2014.

## **A O C B**

a) Minutes on notice boards: It was noted that a number of notice boards in our area had out of date minutes posted on them and for us to keep the community informed it is essential that the notice boards are kept up to date.

b) A Local Community Planning Team communication assistant had contacted members of the communication group and asked about the proposed leaflet that a previous assistant had embarked upon. The group members were of the opinion that the Community Council had managed to produce their own leaflets, web site and communication initiatives without much in the way of assistance from the Local Community Planning Team.

Meeting closed at 8.55pm and Christmas mince meat pies were served.

Best Wishes for 2014.
